## **Thames Wedding Day Cruises - Wedding private Thames boat hire - Wedding Day river Cruises**

**Cruising down London's most famous landmark is a superb way to celebrate your wedding day with a reception onboard our King Edward Thames river vessel. See the sights and host your wedding day without having to deal with the stresses of our capital's notorious traffic!**

**Exclusive and specially designed cruisers can ferry your Wedding Day guests gently along the Thames, allowing them to relax and see the city at its very best. A champagne reception, canapés and the chance to socialise in a stress-free environment can portray your Wedding in the best possible light to your guests and family, and allow the bride and the Groom on the day to enjoy the food and unique wedding venues settings.**

**King Cruises offers luxurious cruises supplying meals and entertainment. Our vessels are frequently used to host functions such as wedding receptions, birthdays, business parties or any other special occasions whereby food, entertainment and a bar can be provided.**

**Your wedding reception is the icing on the cake to celebrate your special day. Cruising the Thames with Champagne in hand and that special wedding picture in front of the spectacular Tower Bridge!! What more could a happy couple ask for??**

**King Cruises has years of experience of ensuring a memorable day and will help you plan and organise this special occasion on one of our luxury vessels with a variety of entertainment options, specialist catering, decorations, florists, chocolate fountains and so on.**

**Vessels can accommodate from 30 - 245 guests providing facilities for champagne receptions, canapés, buffets, formal dinners, discos, bands, casinos and themed events.**

**Our vessels can also provide an excellent alternative to coaches to transfer you and your guests from ceremony venue to reception.**
